For each activity, indicate the nature of your participation, including any offices you have held. Also, please list award(s) or any special recognition(s) that you have received.
5. How do you measure your own success as a community leader?
6. Part of the role of the Steering Committee is to help identify potential Emerging Leaders as well as be comfortable in asking others to contribute financially. Research shows that it is easier to ask for financial contributions when the solicitor has already made one. Emerging Leaders Council Steering Committee members generously donate \$500 or more annually. Is there any reason why you would not be able to ask others for financial contributions or make one yourself?
