MILE HIGH UNITED WAY BELIEVES IN THE POWER OF ONE

ONE Person, ONE Family, ONE Company, ONE Community.

To create a stronger and more vital community, we focus on School Readiness, Youth Success and Adult Self-Sufficiency: the building blocks for a good quality of life.

YOU CAN MAKE A DIFFERENCE!

WHO WE ARE AND WHAT WE DO

Mile High United Way

For more than 120 years,
Mile High United Way has been a catalyst for change.

Today we work with hundreds of local nonprofit partners, government agencies, policy-makers and businesses to deliver services in three key areas of investment:

School Readiness

Young children in low-income families have access to quality early education programs and enter school ready to succeed.

Youth Success

School age, low-income and at-risk students succeed academically and graduate from high school.

Adult Self-Sufficiency

Individuals and families are afforded the opportunity to move toward economic self-sufficiency.

OUR VISION: A community united to create better opportunities for all.

OUR MISSION: Uniting people, ideas and resources to advance the common good.

OUR APPROACH: Mile High United Way lives at the intersection of the private, public, philanthropic, and nonprofit sectors.

We:

- Are community builders, leaders, unifiers and champions
- Are connectors and information and resource brokers
- Inspire philanthropic investments
- Serve those who need support in creating better opportunities for themselves and their families
- Celebrate those who make a commitment to give, advocate and volunteer
